About me

Looking for a dynamic as well as a rewarding career in computer professionals where I can apply my academic knowledge, integrity, and interpersonal communication skills. I have work experience as part of a team and individually. Always energetic and eager to learn new things.

Skills

ASP.NET MVC

ASP.Net WEB API-2

Java

MYSQL

C#

PHP

Java Script

Jquery

CSS, Bootstrap

HTML 5

Oracle

Interests

I love to write code with background music, read research papers and share my knowledge with friends. During free time, like to travel new places and eat various foods and try to discover new algorithm for competitive problems.
